Charles Brooks, a wife marderer, is to be hanged December 21 at Spokane. Excursion trains from the East are beginning to arrive in Southern Cali-fornia.

Portland's saloons will all have to close at midnight from the beginning of the new year.

A ledge of iron over twenty feet wide and 3,000 feet long has been found south-east of Portland. Arthur Leonard of Carson; clerk for Wells, Fargo & Co.'s express, is charged with embezzling \$2,000.

At 4 cents a pound many of the raisin growers of California claim a profit in their crops of \$150 an acre.

There is a regularly organized company at Victoria, with steam yachts, engaged in smuggling Chinese into this country.

The Wellington mine strikers after a year and a half of enforced idleness have declared the strike off. The mine Portland authorities promise a sensa tion soon in the arrest of opium smug-glers. Railroad employes are said to be connected with the work.

The census department furnishes the following statement, giving the popula-tion of four Oregon towns: Albany City, 3, 79: Baker City, 2,604; Corvallis City, 1,527; Pendleton town, 2,506.

A prominent citizen of Salem has offered to give \$5,000 for the founding of a public library in that city, provided the Alka-Hesperian Society will raise \$1,000 for the same purpose.

A business firm of Los Angeles has just consummated a transaction where-by a very respectable income will be derived from a process of leasing and sub-leasing 40,000 acres of the San

Joaquin ranch.

will be appealed.

The excitement over the discovery of a supposed tin mine in the rear of William Walker's ranch, in the vicinity of Kernville, Kern county, Cal., has subsided. The returns of the assayer's report show no per cent, of tin wha ever

Robert Joseph, a sailor, brought suit in the United States Court at Seattle the other day to libel the British ship Fred B. Taylor, claiming \$5,000 damages Fred B. Taylor, claiming \$5,000 damages for brutal treatment by the master, Captain Huriburt. Joseph, who is a negro, claims to be a citizen of the United States. He shipped at Rio, Brazil, but alleges that his treatment was so brutal that he was forced to leave the vessel at Seattle. He claims that he was frequently triced up to the mast, gagged by having an iron belaying pin jammed down his throat and unmercifully flogged. He also claims that \$15) is due him for wages. Captain Huriburt denies Joseph's charges, and says that instead of there being wages due him he is in debt to the vessel.

Charles W. Stuart, a young blacksmith from Tacoma, has mysteriously
disappeared, and the authorities are
searching for him. A week ago he arrived at San Francisco on the steamer
Walla Walla from Tacoma. He had
written to his uncle and sisters, who reside at 1221 Franklin street, San Francisco, that he would be there at that
time. He gave his check to the agent
of the California Transfer Company, but
has not yet called for his baggage, nor
have his relatives heard anything about
him. He is 23 years of age, five feet him. He is 23 years of age, five feet nine or ten inches in height, with dark brown hair and mustache, and weighed about 180 pounds. He was steady, sober and industrious, and his disappearance

San Francisco Bay is filled with ves-San Francisco Bay is filled with vessels. While freights are exceedingly low and still falling, arrivals are very heavy. A large percentage of the arrivals are colliers from Australia, the result being that coal is plentful and cheap. At the beginning of the season the prospects were for big crops and a scarcity of tonnege, and shippers negotiated charters at high figures. The prices caused ship-owners to rush their vessels to San Francisco from all manner PERSONAL MENTION.

Emperor William Says a European War Cannot Be Postponed Beyond Next Spring.

Munkacsy, the Hungarian artist, is at work on a new work representing Christ among his Disciples.

A bust of Matthew Arnold was recent-ly unveiled in the baptistery of West-minster Abbey by Lord Coleridge. The Critic says there is no truth in the story that Grover Cleveland is writ-ing "A Constitutional History of the

United States." Dr. Keeley, the bi-chloride promoter, has 800 to 1,000 patients, and gets \$25 a week from each one. It pays to work a good, fetching fad.

Prof. Axe is one of the operating sur-geons in the Royal Veterinary College of London. He is gentler than his name might seem to indicate, however.

The royalties from Moody and San-key's famous "Gospel Hymns" have, it is said, amounted to \$1,200,000, every penny of which has gone for charitable As soon as Mr. Spurgeon began to re-cover his health, begging letters began to deluge him once more. He has long suffered from the importunities of this

The Duke of Norfolk has taken his deaf, dumb and blind twelve-year-old son to the shrine at Loudres, France, hoping to secure a miraculous cure for the unfortunate child. W. K. Vanderbilt wanted his physi-

cian to accompany him on a six weeks' tour to Europe. The physician said his time was worth \$1.000 a week. He was offered \$10,000, and went. The Chilian Minister in Washington is described as a rich, dapper and band-box-like gentleman. He is small and delicate, and doesn't care such about

liscussing international matters. The reigning family of Germany don't seem to be sleepy-heads. At 7 in the morning William, the Empress and the three elder Princes, with four grooms attending, leave the palace for their regular daily horseback ride.

General Wade Hampton's ruddy face casts doubt on the report that he is beginning to show the signs of physical breaking up. Despite his age, his figure looks robust and he walks with the erectness of a much younger man.

William Alexander Barrett, the mi sical composer and critic who recently died in England, is the person who, more than any one else, persuaded Dean Stanley to allow a memorial to Balle to be erected in Westminster Abbey.

Emperor William of Germany is said to have expressed the opinion that a European war cannot be postpaned longer than next spring. Should there be no war, it would not be the first time William has erroneously forecast the European situation. In his childhood Mr. Patrick Egan,

In his childheod Mr. Patrick Egan, now American minister to Chili, was an errand boy in a flour mill in an Irish rural town, and in a few years he be came managing director of the milling company at Dublin and a commission merchant of some importance. This was before he became conspicuous in the land league.

expected to be finished before New Year, usually rises as early as 6 o'clock at the morning. He takes some very dight refreshment, gets into the saddle, ides a couple of hours and then takes a A. S. Hamilton secured a verdict of \$4,000 against the Southern Pacific at Carsen. An agent had put Mr. Hamilton off the cars because he refused to sign an unlimited first class ticket. combined telegraph and telephone.

A telegram has been received at army headquarters from General Brooke, commanding the Department of Dakota, in response to one sent by General Schofield asking the truth about the report that B g Foot's band had left the reservation and started for Pine Ridge. General Brooke stated he had been unable to learn anything definite about the movement, but would find out the scope and significance at once. There is no apprehension felt at Washington that the movement will be followed by anything like last winter's outbreak. General Schofield said: "The state of thinge in the Indian country to-day is far better eral Schofield said: "The state of things in the Indian country to-day is far better than a year ago. There is more content among the Sioux this winter than last. This is mainly due, I believe, to the fact that the affairs of the government so far as they affect the Indians are better administered. I do not think there are any discernable signs of trouble this winter, for so far as I can see the tribes are oniet."

quiet."
The secret service division of the The secret service division of the Treasury Department has information of the existence of a most dangerous \$20 counterfeit gold certificate. It is a photographic counterfeit, check letter A-R. K. Bruce, Register; James Gilfillan, Treasurer; set of July 12, 1882; department series A 372 945. Apart from the counter coutaining the 2) on the face and the portrait of Garfield there is little of the gray of the photograph about and the portrat of the photograph about it. The seal is small and scalloped, hav-ing a reddish tinge, apparently applied with a brush. The number is very pro-nounced and heavier than in the genu-ine. The surface on the note is one-half

Otto Kramer of Philadelphia has sued the Traction Car Company of that city for \$2,000 to satisfy the damages of his person resulting from sitting on a tack. Mr. Kramer found the tack on the cane The City Council of Chicago, by a vote to receive protests against the action of the police in breaking up a Socialist meeting, practically censured Mayor Washburne and Chief of Police McClaughey.

Members of the Women's Christian Temperance Union at Kent, O., formed themselves into parties and called at all places where loud theatrical posters ad-vertising a burlesque opera were dis-played and tore the bills and lithographic

The Methodist General Missioner The Methodist General Missionsry Committee has appropriated for differ-ent classes of missions as follows: Chi-nese, \$11,400; Japanese in California and Honolulu, \$7,000: Bohemian and Hungarian, \$7,350; Italian, \$4,750; Por-tuguese, \$800; Indians, \$9,350.

The Supreme Court of Florida has decided that the Secretary of State must sign and seal the commission of David-son, whom Governor Fleming appointed United States Senator. It does not deal with the legality of Cali's election by the Legislature, declaring that the United States Senate is sole judge of that mat-

At a gathering of the alvation Army at Omaha recently Captain Hattle Smith of the hand at Oskaloosa, Ia., was fatally shot by Nettle Biedler, who immediately placed the pistol to her own head and blew her brains out. The causes are not generally known, but are supposed to be jealousy. The murderess and suicide was not a member of the army.

EDUCATIONAL.

NO. 48.

The President of Brown University Advocates Turning the School-Houses Into Palaces.

The public schools in the United States have 12,500,000 pupils.

Dublin University has bestowed the degree of Doctor of Laws upon a woman. Indiana University has opened with a nuch larger attendance than ever be-

Wellesley and Smith Colleges opened the scholastic year with 700 students each.

New York school children of foreign birth are being taught to salute the American flag.

Seven school buildings in the most crowded districts of Chicago will shortly be thrown open Saturday for instruction in sewing.

Rigid examination of the applicants for certificates to teach in Willis, Tex., has resulted in the idleness of helf the chools of the county.

President Andrews of Brown Univer-sity advocates turning schoolhouses into luxurious palaces and furnishing a free lunch daily to the scholars. Precociousness begins to make itself felt. The undergraduate students in the Michigan University are younger by a full year or more on the average than

full year or more on the average than they were twenty years ago.

The self-education of the masses goes steadily forward. Besides the army of university extension the entering classes for this fall of the Chautauqua circles numbers 15,000 students. The course of instruction lasts for three years.

There is at Baltimore, Ireland, a fishing school, where boys receive instruction in all branches of a sea fisherman's work and in such allied industries as net-making, boat-building, cooperage and eail-making. The school has produced excellent results.

duced excellent results.

The University of the Great Mosque of El Axar in Cairo is resorted to by more than 10,000 Mosiem students, not only from Egypt and Turkey, but from Algaria and Morocco, the Soudan, Darfoor and Zanzibar, Arabia, Persia, Turkestan, India and Ma'aya. Nothing is taught except the Koran and the literature relating to it.

The Women's College established at Baltimore four years ago by the Methodist Episcopal Conference is rapidly growing in teaching force and number of students, and applications for the new class have come from nearly every State in the Union and from Germany, Cuba, Canada, Mexico, India, China and Japan. The Directors have not decided to admit Japanese and Chinese women.

The total number of scholars in schools

Japanese and Chinese women.

The total number of scholars in schools and colleges of all sorts in India is only 3,250,000, or 1½ per cent. of the entire population. These are mainly confined to the cities and towns; but out of 250,000,000 in all India less than 11,000,000 can read and write. A census of illiterates in the various countries of the world places the three Sclavic States of Roumania, Servia and Russia at the head of the list, with about 80 per cent. of the population unable to read and write. Of the Latin-speaking races Spain heads the list with 65 per cent., France and Belgium having about 15 per cent. The illiterates in ilungary number 43 per cent., in Austria 39 per cent. and in Ireland 21 per cent.

WORLD'S FAIR NOTES.

at Chicago - Anthropologists

The Knights of Labor in session at Toledo, O., have declared in favor of keeping the World's Fair open Sundays. Montana's World's Fair Commission has set saide \$5,000 of the State's appro-priation of \$50,000 for the use of the

Are Aroused.

Leigh Lynch has been commissioned by Director-General Davis to visit the South Sea Islands in the interests of the The supporting columns for the fores-try building are to be trunks of trees with the bark on—three from each State

Mr. Sell, the London advertising agent, has applied for space to exhibit specimens of all of the leading newspapers of the world which have been printed during the last two centuries. Anthropologists all over the world are said to be aroused by the proposition of Prof. Putnam of Harvard to gather at the World's Fair in Chicago living representatives of every race of aborigines to be found on the American Continent in their care house and continent

in their own houses and costumes.

A splendid exhibit from Australia seems assured. Minerals, education, forestry and especially wool are to be represented. Wool growers and wool brokers to the number of fifty met recently in Sydney, New South Wales, and took steps to make at the exposition a very extensive collective exhibit of wools. New South Wales has selected its commission to the World's Fair,

its commission to the World's Fair.

Commissioners Grener, Lindsay and Directors Lawrence and Peck have been appointed a committee to call on President Harrison and the Secretary of the Navy to ascertain what, if any, expense of the rendezvous at Hampton Roads and review in New York harbor in April, 1893, should be borne by the exposition management. Many are of the opinion that the government ought to foot the bill.

William Ordway Partridge, the great sculptor, has asked for space in the art palace for his statue of Shakespeare, which he is now making for Lincoln park. His statue of Alexander Hamilton, which he is making for the city of Boston, will also be shown. Mr. Partridge is Vice-President of the American Artists' Association in Paris. He gives assurances that the association is heartily interested in the exposition. ested in the exposition

ested in the exposition.

The Chicago Paper Trade Club, which includes the prominent manufacturers and dealers in paper in Indiana, I linois, Michigan and Wisconsin, has decided to make the best exhibit of paper manufacturing and its machinery and appliances ever held under one roof. The display will show the actual manufacture of paper in all grades, from wood pulp to the highly-finished book, and the exhibit will be conducted every day during the time of the exposition. The finished product is to be run through a perfecting press and printed and sold as a souvenir.
